## Gifts Given

Date given	Description of gift or benefit	Value	Name of donor	Donor Organisation	Name of recipient(s)	Recipient Organisation	Reasons for accepting or giving (what is the benefit to the Queensland community)	Name and signature* of accountable officer or supervisor
26/04/2012	Personalised Licence Plates	435.00	Mines, Georgetown Office		Troy Robert Mackay		The Georgetown office performs Queensland Government Agency duties in correlation with their DNRM duties. Each year a Business and Marketing plan is submitted to Smart Service Queensland to provide an overview of the yearly activities performed and request funds in advance for marketing activities specific to each site. Funds were requested for the Personalised Plates competition in the 2011-2012 Business and Marketing plan. The competition aims to increase the number of people attending and payments being made at the Georgetown office. In this way the office profile is raised and the community awareness of State and Federal services we offer at the office is heightened.	Dan Hunt
