No Problems Steven. I'll ask the guys if they can delay the show just for the DP. See you there. Also, expect the Op Leader is attending as well. You could give each other a lift 😊 H.

Haha. We will definitely be there for the act, david can be my pair!

Good morning DP,

Just saw a missed call from your office and presume that is about your

interest in seeing some events in both stadiums and arenas while you are on personal leave

Sch. 4(4)(6) - Disclosing personal information

My office has just about completed pulling together a list of both sport and entertainment events in over the relevant date period, including the details of the ticketing agencies handling the various events.

Sch. 4(4)(6) - Disclosing personal information

The full list will hopefully be finalised by the end of this week and will then be sent to your office for your consideration.

If your leave dates are locked in, if I was you I would then jump on line quickly to secure the better seating options still available as the best events will sell out fastest of course.

Hope this helps.

Harvey.

Hi harvey, we are planning to arrive at 630 tomorrow. But if there's a chance we could do the meet and greet you mentioned we could arrive at anytime! Hope to see you tomorrow night. Steven

Good evening DP,

I was intending to message your office tomorrow morning re Ed Sheeran.

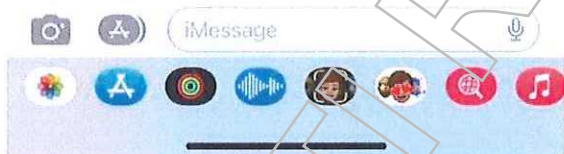

I have only just returned home following my meeting this afternoon with Ed's promoter team.

His management has advised them that, even though Frontier Touring recommended that the Queensland Government is a great supporter of touring artists, they have decided that they won't be doing any meet and greets on this tour.

This decision is apparently consistent with his advice when they were just in Wellington and Auckland.

Please accept all of our apologies that we can't arrange on this tour an opportunity for you as DP of the state to provide a personal welcome to Queensland for Ed Sheeran.

Regards,

Harvey.

No worries at all Harvey. I just knew I'd kick myself if I didn't check with you if it was possible. I'm very grateful you tried.

Will you be there tomorrow night?
See you then.

Steven

Yes I will DP. Look forward to seeing you there. Harvey.

Goon morning Minister,

I just wanted to congratulate you for your role in strategising the spectacular announcement.

I know that both you and the Premier have both been strong supporters of Brisbane's need for this social infrastructure for the state's capital city.

I won't forget that and will continue to remind everyone of your vision.

This is a very good outcome for Queensland.

Harvey.

Thanks Harvey. It's very exciting. See you tonight.
