

Before you start

Important information

There are a number of different types of applications or requests relating to development within a State development area (SDA).

The most common of these is an SDA application for a material change of use (MCU). An MCU is:

- the start of a new use of the premises
- the re-establishment on the premises of a use that has been abandoned
- a material change in the intensity or scale of the use of the premises.

A development scheme may also provide for some or all of the following applications and requests:

- request for pre-lodgement consideration
- SDA application for:
 - reconfiguring a lot
 - operational work
- request to change an SDA application
- change application for an SDA approval
- request to state a later currency period
- request to carry out prior affected development
- request for approval of a plan of subdivision.

It is important to note there are some variations in terminology used in the development schemes as a result of amendments to the *State Development and Public Works Organisation Act 1971*. For more information, read the Applications and requests advisory note.

Before making an application or request, refer to the relevant development scheme.

How to complete forms

All SDA application and request forms are to be submitted via the approved online forms.

The Coordinator-General can only accept SDA applications that are properly made. For an SDA application to be properly made, you must:

- complete all fields
- upload the necessary documentation
- pay the relevant fee.

For certain applications or requests, a planning report, environmental impact statement (EIS) or impact assessment report (IAR) (draft and/or final) and evaluation report on the EIS or IAR (if prepared) may also be required.

The information provided must be detailed enough to enable the Coordinator-General to adequately assess the application or request. Insufficient information may result in the Coordinator-General requesting additional information.

If for any reason you cannot submit the forms online you can contact the SDA Division on 1800 001 048 or via sdainfo@coordinatorgeneral.qld.gov.au to have a hard copy form sent out to you.

Fee waiver request

Prior to making an application or request, a proponent may request that the Coordinator-General waive all or part of the relevant fee.

If you would like to request a fee waiver, a written request providing sufficient grounds for the waiver must be made as part of a pre-lodgement consideration.

For more information, read the Guideline to state development area fees.

I have read and understood the requirements for requesting a fee waiver. *
